Hosokawa Micron Ltd have appointed, Kilbriann, Co. Cork based, Lianco Ltd. as their powder and particle equipment agents in Ireland. Highly experienced equipment suppliers to the food, chemical and pharmaceutical industries, Lianco will work in close partnership with Hosokawa Micron's powder processing and containment specialist engineers to offer an immediate response to the demands of established and new customers in Ireland.

Lianco Ltd's experience in providing integrated processing systems complements that of Hosokawa Micron and means that customers will have access to high levels of expertise and customer service.

Contact Hosokawa Micron Ltd on tel: (01928) 755100 or visit www.hosokawa.co.uk
